Subject: Relocating to B7

To,
The County Manager
Mr. Aaron Church

First of all, thank you for your approval to close Urban Trends By Dec 31, 2016. As you know, there are not many stores left in the West End Plaza, open for business, I would highly appreciate, if we can relocate our GQ Mens Wear from A 3,4&5 to B7 which was our other location (former Urban Trends) on Jan 1, 2017, as now there is a vacancy. I travel to India every so often, and in my absence my wife works at the store till 8:30 pm everyday, and now after Payless Shoes has closed it is a little riskier and dark, to leave her at work by herself. Being able to look at the entrance of the Plaza, will make us feel secure. The security in the weekdays is also never to be seen inside the mall, most of the times he's outside near Dollar Tree or at the back. I will incur all the costs of relocating.
Thanking You,
Yours truly,
Kishor Lalchandani
