Re: Approval to Purchase Chevrolet Tahoe for Emergency Services

Date: September 23, 2016

In accordance with G.S. 143-129(e)(3), Rowan County is exempt from bidding requirements if the County purchases equipment from a contract established through a competitive bidding group purchasing program and if the contractor is willing to extend to the County the same or more favorable prices, terms and conditions as established in that contract. Modern Chevrolet, LLC, authorized dealer for General Motors, has agreed to extend to the County the same price and terms set forth in its contract with the North Carolina Sheriff's Association (NCSA contract #15-01-0611) for the purchase of this vehicle. The cost of the vehicle, excluding taxes, is \$37,832.28. Attached is the quote from Modern Chevrolet, the NCSA Specifications for the vehicle and the related budget amendment. The NCSA bid documents are on file in the Purchasing Office.

Staff's Recommendation: The Emergency Services and Finance Departments recommend that a contract be awarded to Modern Chevrolet, LLC for the purchase of a Chevrolet Tahoe at a cost not to exceed \$37,832.28 and that the related budget amendment, which includes tax and tag, be approved.

MEMO TO COMMISSIONERS:

FROM: Frank Thomason, Chief of Emergency Services
DATE: 9/14/2016
SUBJECT: Consider Authorization for Vehicle Replacement

Earlier this year, Emergency Services experienced the loss of a staff vehicle (2008 Dodge Durango 4WD SUV) which was involved in an accident. Upon evaluation by our insurance carrier, due to the vehicle's age, mileage and sustained damage, the vehicle was considered a total loss.

This vehicle was assigned to our Training Division and used on a daily basis by our training officer in the normal course of work, and additionally, is used by personnel department wide for transportation to attend various training events both in and out of county. Secondly, the vehicle is also used in a response capacity to incidents and also to provide towing capacity for the department's multiple trailered resources.

Loss of this vehicle has impacted the Department's capability and capacity for its needed uses.

Recommend authorizing the Finance & Emergency Services Department to move forward with vehicle replacement process. If approved, a budget amendment would be presented at the October 3, 2016 Board of Commissioners meeting for funding the purchase.
